General Business

Tuesday nights are going well with 7 and a half tables

Everyone is enjoying it They are playing 21 boards .

Barrells Tournament There was no sponsorship this year
but we made a profit of \$494.00 We charged \$40.00 per
person and \$31 .00 of that goes into the costs leaving us
with \$9 per head.

Need to review the vaccination policy now we are in the
amber lighting. It was decided the policy would remain the
same until the next meeting when it will be reviewed again.

We require people to be fully vaccinated to come into the
club. Wearing masks is highly recommended

Lessons There is a good turn out and still more coming .19
have paid so far. When these people begin playing in the
club they will be given a number and recorded as our
players. There will be no lessons for the next two weeks
because of the public holidays

Jane did an exercise looking at the 108 clubs in the country
As at the 31st March NZ clubs lost a total of 1031 players
We have done well as we have increased our membership
with 24 new members. Along with Karori we are the highest
growing club

We need a date to hold the Intermediate and Junior
tournament that was cancelled last week There will be no
points issued but we will run the event. There will be an
open division if there are enough entries

Improver lessons There are between 20 and 24 turning up
for these. John says all the lessons are on line so Lee will
copy them and put in a folder in case anyone wants the
notes.

We want the honour boards up to date before 1st May.
